

# ECHINACEA PLUS

## MANUFACTURING CERTIFICATE

.....

We hereby certify the following by the best of our knowledge and belief.

All the products are controlled by Laboratory Michel Iderne, a French Pharmaceutical Laboratory.

**I Manufacturer** : **Groupe Michel Iderne – Department L.P.F.**  
Parc d'Activités du Rosenmeer  
67560 ROSHEIM  
FRANCE

**II Distributor** : **COMPANY VITAMAX**  
Ukraine, Kyiv, 03028  
Avenue of Science, 11

**III Product Name** : **ECHINACEA PLUS**

- a) Composition : See attached
- b) State : Hard capsule
- c) Category : Supplementary foods
- d) Effect : Nutrient supplementation
- e) Precautions : Take internally per label direction
- f) Packaging : Can/60 hard capsules/350 mg phytomicrospheres
- g) Storage conditions : Cool dry place
- h) Time limitation : 3 years
- i) Contains NO DRUG (NARCOTIC)

**IV Technological instructions**  
(according to the french patent n° 2721512)

Blending vegetal extract/vitamins/oligoelements and microcrystalline cellulose.  
Obtaining phytomicrospheres after extrusion and spheronization.

# ECHINACEA PLUS

## CERTIFICATE OF ANALYSIS

Batch n° : **ECHI+210301**  
 Manufacturing date : March 2021  
 Limitation date : February 2024

### Description :

*According to our own monograph*

Appearance : microspheres in hard capsule  
 Color : light brown  
 Odor : uncharacteristic  
 Taste : uncharacteristic

### Components :

Echinacea purpurea root extract 277,00 mg  
 Savory leaf extract 30,00 mg  
 Cinnamon bark extract 30,00 mg  
 Magnesium stearate 4,20 mg  
 Microcrystalline cellulose qsp one capsule

### Controls :

*According to our own monograph*

Loss on drying 5% conform

*Thin Layer Chromatography- Internal method*

Echinacea purpurea root conform  
 Savory leaf conform  
 Cinnamon bark conform

### Analyse microbiologique :

*Comply with the European Pharmacopeia in force*

-TAMC according to HM	≤ 10 000 cfu/g	complies
-TYMC acc. to HM	≤ 100 cfu/g	complies
- Bile tolerant gram negative bacteria acc. to HM	≤ 100 cfu/g	complies
-Staphylococcus aureus acc. to HM	Absence/g	complies
-Escherichia coli acc. to HM	Absence/g	complies
-Salmonella acc. to HM	Absence/10g	complies
